EAA Vintage Chapter 37, March 2021

## President's Corner

Andrew Hershman

*Greetings fellow aviators and aviation enthusiasts and welcome to spring (almost). Do not forget March 14th begins daylight savings time where that Sunday morning we advance our clocks ahead one hour. Enjoy the extra hour of evening-light the time change will bring us. I am sure many of us are ready to shake off the cabin fever and enjoy a little more time outdoors and behind the yoke of our favorite aircraft.*

*Looking ahead to our scheduled events watch for an announcement on the spring airport equipment cleanup due in April. I fully expect the snow removing equipment was well used and in good need of a bath after the amount of snow removal last month. Also, we would like to conduct a hangar cleanup session possibly the same day to tidy up the clubhouse and hangar before the return of regular breakfast, Young Eagles and other chapter activities resume. After the lull 2020 brought us in events a spring cleanup session is in order. Your participation and input is highly valued and appreciated.*

*March will see a return to our regular Saturday breakfast events pending the Covid response level for DeKalb County. An announcement will be made the week prior at the next chapter meeting on March 18th. I have answered a number of area and outside calls regarding its return. Many are eager to return when it is safe to do so! Get out and enjoy the changing seasons and hope to see you soon!*

## Breakfast Fly-In / Drive-In

We are planning to resume our monthly breakfast as the weather warms and as the Dekalb County Covid case count drops. We have established that we will use the Covid rating system to determine whether we host the breakfast each month. With a rating of yellow or better (10-99 new cases per week) in Dekalb County we will heat up the pancake griddles! Thank you for being so patient with us as we have scheduled and canceled and canceled again these last few months. We really look forward to being able to fellowship with everyone again soon! We have March on the schedule, so stay healthy!
