### The Board could use your help!

With the loss of our president we will be looking to fill a position on the board. If you are interested in helping fill this position please contact JoAnne Fox as she is organizing and working with the nomination committee. Our intention is to have a membership vote on board at the December Christmas gathering so that we can have a full board by the end of the year. Please if you are willing to serve or help in any way reach out.

This is the last year that Marjorie will be helping with the newsletter. If you are interested in helping out with this job please contact her.

We can always use help! The chapter would love to have your help and expertise. Whether it be cleanup crew, breakfast crew, ideas for programs, organizing parties, bringing back an old program you loved. Please do not be afraid to reach out to the board, to give us advice and help.

Lastly, the family of Greg Topper will be having an auction in the hangar November 5th for items that belonged to Topper. Cataloging is taking place now. The event will launch online on the 21st. Chapter 37 may have some auction items as well.
