## Breakfast at the Airport

Our November Breakfast will be on November 25. We will serve from 8:00 am to 11:00 am. This will be the last breakfast for 2023.

We will have the same menu which includes pancakes, sausage, eggs, biscuits, sausage gravy, breakfast casserole, toast, and fruit. For beverages, we serve coffee, milk, and orange juice.

Hope to see you at our next breakfast on **November 25!**

Watch the newsletter and website to see when we will start them in 2024.

## President's Corner, David Resler

Hope to see many of you at our next gathering. This is your Chapter and it is important for our members to come together to vote on a change to our bylaws and to decide who our new Board of Directors will be for the next term.

At our last gathering, the question was asked that the Director I and Director II wording be removed. Here is the new wording for the make up of the Chapter Board of Directors:

“The Chapter Board of Directors shall consist of the following:  
The Executive Officers shall be the Chapter President, Chapter Vice President, Chapter Secretary, and Chapter Treasurer.

The Executive Officers can appoint up to nine (9) additional Board members to serve on the Chapter Board of Directors. These include but are not limited to Director(s), Flight Advisor(s), Technical Counselor(s), Newsletter Editor(s), Web Editor(s), and Young Eagles Coordinator(s).”

Adding more members to the Board will give it more depth which provides more ideas and better representation.

The slate of officers is President: Dan Leonard, Vice-president: Sebastian Baumgardner, Secretary: Laramie Resler, Treasurer: Geoff Robison. Nominations are still open until the time voting takes place.

## Young Eagles

Our 2023 Young Eagles Rally season has ended. It was a successful year. I will include a full report in the December Newsletter.

We will be setting the dates for 2024 Rallies at the beginning of the new year. Watch for these dates on the website and in the newsletter.

### Gone West: Frank Borman

EAA was saddened to learn of the death of former NASA astronaut and Apollo 8 commander Frank Borman, EAA Lifetime 300174, who passed away on Tuesday at the age of 95. Among his many other achievements, in 1968 Borman commanded the first human spaceflight to reach the moon, leading the three-person crew of himself, Jim Lovell, and Bill Anders. A longtime supporter of EAA, Borman attended AirVenture numerous times and spoke at multiple EAA functions, most recently in 2018 at the Wright Brothers Memorial Banquet. In addition, he **donated a large collection** of his personal aviation and NASA memorabilia to EAA, which is displayed in the EAA Aviation Museum. EAA joins the aviation and spaceflight communities in mourning his loss.

We will publish a tribute to Frank and his long-standing connections with EAA next week.
