President's Corner, Sebastian Baumgardner

Spring is finally here. It's great to see landscapes turning green and plants starting to bloom. It all makes for good reasons to get out and do things. With that being said, May is just around the corner and the unofficial start to flying season. May 3rd is our first Young Eagles event and I would like to encourage anyone who hasn't participated before to come check it out. It's a great program and seeing the kids enjoying their flight experience can make your day. May also brings our Memorial Day cookout on Sunday 25th. The Chapter will be doing the grilling and we just ask that you bring your favorite carry-in dish to share. We will have the flyover on the TV s and some race on after that, lol. It will be a good time to get together. With lots of things on the horizon, I want to thank everyone for your continued support of our Chapter.

Sebastian Baumgardner

President VAA37

Breakfast at the Airport

Our Breakfast at the Airport this month will be on April 26 from 7:00 AM to 10:00 AM. PLEASE NOTE THE TIME CHANGE.

Now that the weather will be warmer and maybe not so much wind, we will have more planes fly in. We continue to have a great group of people drive in. We appreciate everyone who attends our breakfast.

Our menu is pancakes, waffles, sausage, eggs, biscuits, sausage gravy, breakfast casserole, toast, and fruit. For beverages, we serve coffee, milk, and orange juice. Freewill donation accepted.

Young Eagles

The website for registering for Young Eagles has changed to eaachapters.org. It looks a little different but most of the functionality is the same as YEday was.

We are looking for pilots and ground volunteers to help us at our rallies. Our first public rally is May 3 and the second one is May 17. We have a private rally on May 8. This is for a home school group. We are looking for ground volunteers to share their knowledge of aviation. You can choose from the following topics:

- How an airplane flies
- Bernoulli's principle
- Crafts - making a clothespin airplane
- Chart reading
- Airport operations
- Airplane maintenance

We will have as many stations as we have volunteers to fill that position. Let either David or me know if you can volunteer for either a pilot or as ground support. Our phone numbers are David, 260-402-3480 and Laramie, 260-402-3478.

Thanks, Laramie Resler
